SPECIAL PRICE LIST OF SEEDS

The following varieties of seeds are offered subject to crop conditions. Shipments will be made soon as the varieties mature. We expect to collect these seeds only on orders and will not gather a surplus. We will appreciate your early order so we may make shipments as the seeds mature.

We are very careful to keep each variety true to name as labeled and we will replace, on proper proof, any that may prove otherwise free of charge or refund the amount paid but it is agreed between the purchaser and ourselves that we shall at no time be liable for an amount greater than the original purchase price paid.

Terms: Five per cent discount for cash with order. Thirty days net. We pay our collectors for seeds as they are delivered to us, therefore we prefer cash with order but if terms are preferred and allowed on seeds they are not to exceed thirty days.
